OUR PEOPLE AND PLACE

In the heart of the city we seek the heart of God, offering pathways of prayer, presence and partnership with others. We acknowledge the Giabal and Jarowair peoples as the traditional custodians of this land and we rejoice to live and work with all people of goodwill in our beautiful city and wonderfully diverse and lively community.

OUR MINISTRIES AND PARISH PRIESTS

As a part of the wider Body of Christ in Toowoomba, we seek to use and celebrate our many different gifts, stories and ministries. In this we are served by the Revd. Dr Jonathan Inkipin (Rector), the Revd. Penny Jones (Associate Priest), together with a number of experienced retired priests. We are also served by the Revd. Frances Andrews.

VISION STATEMENT

This parish seeks to be:

Focused in Christ
Joyful and Inclusive
Compassionate in Witness

The Anglican Parish of St. Luke, Toowoomba is part of the worldwide Anglican family of Christians within the diocese of Brisbane.

As such, we are a Church of shallow edges and a deep centre, grounded in the Scriptures, faithful to Tradition and responsive to the leading of the Holy Spirit through the best of contemporary thought and human experience. We strive to be an open, generous and inclusive community, trusting in the sure love of God but receptive to the questions of our day.

We seek to glorify and serve God in the City and East of Toowoomba, sharing the love of Christ in prayer and action with others.

Our three church centres offer a range of expressions of worship and spirituality, with a balance of traditional and family styles open to all.

PARISH EVENTS

St Luke's Flower and Music Festival

One of the most joyful events of the parish year is the St Luke's Flower and Music Festival. Each year a theme is chosen and the church is decorated with floral displays appropriately. There are daily lunchtime concerts and opportunities for worship as well as craft and food stalls. This operates as part of the Toowoomba Carnival of Flowers celebrations each September.
